EDUCATION

Diploma in Animation, College of Animation Amravati (2015)

Earned a Diploma in Animation in 2015, focusing on the art of visual storytelling and animation technology. Developed a keen understanding of cinematic techniques and software, preparing for a successful career in storyboarding.

BSc in Animation, Amravati University (Summer 2023)

Completed a BSc in Animation from Amravati University in 2023, gaining in-depth knowledge of animation principles and techniques. Engaged in hands-on projects and collaborative workshops, developing a strong foundation in storytelling and character animation.

PROJECTS

Freelance Projects— *Angrybird, Pocket FM stories, Youtube Rhymes and many other TV projects.*

SKILLS

Animate CC, Blender,
Photoshop

I excel in storytelling, storyboarding, and 3D visualisation, with a strong ability to translate complex narratives into clear visual sequences. I'm skilled in collaborating with creative teams, adapting to diverse project needs, and using technology to enhance storytelling. My expertise spans both traditional and digital media, making me a versatile artist.

LANGUAGES

English, Hindi, Marathi
